MORE ABOUT ME

I would like to be best at

Helping people understand software development and the applications it has on the world at large. I also hope to encourage other developers to code 100% according to designs.

If I could be any person, I would be
Barack Obama

My biggest failure I'd like to share is
I'm one of those people who likes pineapple on pizza.

My favourite game, film or series is
Super Smash Bros.
